Founded by a little local family who

....pride ourselves in using high quality never frozen chicken and local spices to bring our secret family recipes to life. Call us crazy or call us strange but we handle our chicks with love! Brined and seasoned for over 48 hours before cooking fresh to order.

Our list of unique sauces and dusts are just getting started! We are always experimenting with sauces and dusts to provide our guests with a truly different approach to the age old wing concept.
